Smile.

The best way to maintain or improve your smile is to brush and floss your teeth daily, visit your dentist, and apply for an Aflac Dental-Supplemental Plan.

Aflac Dental-Supplemental Plan provides benefits for periodic checkups and cleanings, X-rays, fillings, crowns, and much more. It's your smile and your policy; Aflac Dental-Supplemental Plan gives you control.

- You choose your dentist. Because Aflac Dental-Supplemental Plan doesn't use a network of dentists, you can go to any dentist you choose.
- You and your dentist choose the best treatment for you. Aflac Dental-Supplemental Plan doesn't have precertification requirements. If the treatment is covered by your policy, you don't need Aflac's permission to receive it.¹

Aflac Dental-Supplemental Plan is different from many other dental plans you may have seen.

- You know what you're getting with Aflac Dental-Supplemental Plan. The plan spells out the benefits for both wellness and other diagnostic/treatment services. There are no gray areas. Each covered procedure has a specific benefit amount.
- Aflac Dental-Supplemental Plan doesn't have an annual deductible. Other dental plans may require you to meet an annual deductible before benefits are payable.
- Aflac Dental-Supplemental Plan pays benefits regardless of any other plan. Even if you have other coverage, you'll receive your full Aflac benefit amount.²

With Aflac Dental-Supplemental Plan's **Annual Maximum Building Benefit**, you can receive even more benefits. Aflac will increase each covered person's policy year maximum by \$150 after each 12 consecutive months the policy is in force up to a maximum of \$750 per covered person.

Aflac Dental-Supplemental Plan pays benefits for seven categories of dental treatments and hundreds of procedures. The benefit amounts within each category vary based on the procedure received and are subject to a policy year maximum. Benefit amounts and the policy year maximum are per covered person.
